To Whom It May Concern:

This is an invitation to help sponsor our Modesto Youth Basketball League. We are in the third year of our basketball that runs from Jan – Feb (6 weeks), every Saturday. Players from both the Downey boys and girls basketball program coach the participants, volunteering their time to help with the league. The Downey coaches from both the boys and girls program supervise or referee the games. We had a great turn out last year and this year looks to be even better, we might even max out at each grade level! Our goal is to get more kids playing basketball and enjoying the game at an inexpensive cost.

We provide every participant a t-shirt and a ball that matches the color of his or her t-shirt. They get to have one day of instruction/clinic, meet the team, coaches, etc. Then they have 5 weeks of games and on game days, they go through a 20-minute training session with their coach before they play.

The league is a Co-ed and something unique about our program is that we do not keep score. One of our many goals is to get kids to learn the game and have FUN! When kids compete at the lower levels, sometimes there is too much emphasis on winning and less emphasis on learning the game, teamwork, etc.

With your sponsorship, we put your business name on the back of one team's shirt. There are eight different teams, so your company name will be on one team in each of the following divisions: k-2, 3-4, and 5-6th. We also make a logo of all sponsors grouped together and put that on the back of a shirt that every boys and girls basketball player gets to wear the day they are coaching.

We are the cheapest league in the valley and our goal is to provide sports at a discounted rate, we want kids playing more BASKETBALL! With your help, we want to continue those traditions of providing a excellent service to the community at a discounted cost.

Sincerely,

Eli Bynum and the TDHS Basketball Family
